Professor Samuel S. Wilks
 Department of Mathematics
 Box 708, Fine Hall
 Princeton University
 Princeton, New Jersey

Dear Professor Wilks:

Please accept our appreciation of your cooperation in completing all the onerous details required by the administrative procedures in the occasion of your last visit to the Agency. The Director extends his apology for all the inconveniences caused by those procedures and wishes to express his thanks for the prompt return of the completed Personal History Statement.

I am sending you herewith a "Notification of Personnel Action" dealing with your appointment as a special consultant. This is merely for your files and requires no action on your part. The data under "Remarks" are there because of statutory requirements. Just pay no attention to them.

Sincerely,

J. W. WENGER
 Rear Admiral, US Navy
 Vice Director
